

## ICORR Poster Presentation Instructions

Please carefully read and closely adhere to the following guidelines when preparing your poster:

- The poster session **will take place in the platform REMO**.

We highly recommend that poster presenters unfamiliar with this platform join one of their guided tours: <https://remo.co/guided-tours> or watch their product demo: <https://www.youtube.com/watch?v=k87zAKm60UA> before RehabWeek. We even suggest you create a trial account and practice your session directly in the platform so you get familiar with the screen sharing function and can assure your camera and microphone work as desired.

- You **do not** have to use a conference-specific template, please feel free to design your poster with the template from your institution. There are no restrictions with regards to size or format for this poster, as you will be showing your poster through screen sharing. We recommend you chose a format that works well for your screen and screen resolution (test it!). You might want to focus on visuals, and limit the amount of text, as you will be there to explain and walk people through your poster.
- **The ICORR logo** (received with the acceptance letter) has to be placed on the top right corner of the poster.
- Presenters MAY (not mandatory) choose to **share their posters** with congress attendees if they wish. All posters sent to Lara Volkan ([lvolkan@kenes.com](mailto:lvolkan@kenes.com)) **by September 1<sup>st</sup>** will be included in the electronic poster book. For all others, abstracts will be included only.
- **Poster presenter** have to be **registered by September 1<sup>st</sup> at the latest** for your paper/abstract to be included in the program! Register by Aug 23rd if you would like to profit from early bird registration rates.
- The poster session takes place on Saturday, September 25<sup>th</sup>. **Please respond** to acceptance letter email with your desired session by Sept 1st: You can present either from **4-5.30pm Singapore time / 10-11.30am Central European Time** or from **6-7.30pm Central European Time / noon-1.30pm Eastern Daylight Savings Time** or **both**.
